TO THOSE WHO BRING HOLY COMMUNION TO A FAMILY MEMBER OR NEIGHBOR

It is most important to always protect the sacredness of the consecrated host. The sacred host should be securely contained in a pyx and carried reverently, ideally in a burse. A burse is a small fabric case with a string to be worn around the neck. The pyx is placed into it to securely keep Jesus near your heart as you travel to your destination. A few burses are available to borrow in the Sacristy. Burses can also be found at the Catholic Shop or ordered online.

Remember to go directly after Mass to distribute the host(s). Errands or other activities should not take place while you're carrying the Blessed Sacrament or kept in your home for any length of time.

Holy Family provides a ministry to our folks who can't get to Mass. Lay ministers are available to make regular visits with Holy Communion. Contact the parish office if you would like more information.

First Communion Mass May 4th

SCHOOL UPDATES

Holy Family School was on spring break this past week. Some families traveled to vacation places, visited friends and family, or had a chance to slow down and take a break from our busy world. Our faculty and staff also had the opportunity to do the same!

Upon return we will be preparing for our NY State Math tests. Our 2nd grade students will be getting ready for their First Holy Communion on May 4th. And all of our students in grades K-6 will be rehearsing for our Spring Concert on May 7th and/or for our School Play on May 28th. Irish Step Dancing will also begin again for students in May. It has been a busy time for students during and after school!

Please remember that Holy Family School's Super Raffle is now in progress. Tickets can be purchased at each Mass on the weekends or at Holy Family School during school hours. After all the Prize money is given out the remaining funds will go to support tuition assistance. This is a real support and choice that provides families with the option to send their child(ren) to Catholic Schools.

God Bless!

MASS READING REFLECTION

1 John 3: 18 - 24

Recently, my wife Mary and I had to buy a new washer/dryer. Besides the sticker shot, there are all the advanced capabilities new appliances have. With a good owner's manual by our side with directions for their operation and maintenance, we are hoping to get years of optimal performance from them.

While we can't compare ourselves to appliances, it stands to reason that human nature also has its own rules for "optimal performance". To ensure a happy and productive life, there must be **directions** to live by.

The second reading this weekend from St. John presents a rule of life that reiterates Jesus' formula for happy and effective living: "Children, let us love not in word or speech but in deed and truth." In other words, **Live by love in all you do.**

It's sad but most people don't consider love a way of living. True, love is important to us. We love being in love, we talk about it, sing about it, and hunger for it. Love, though, in the first words from St. John's letter today, is something promoted as more than sweet talk, music, poetry, or an emotional need. Living by love is a distinct way of living, significantly different from living by just trying to look out for #1 or by asserting ourselves.

So, love for a Christian is not only something we search for or give to others but a general philosophy of life! Whatever problems you face, first ask: **What would a loving person do?**

Dc. Bob Fangio
