# HOLY FAMILY CHURCH

## MESSAGE FROM OUR PASTOR

Dear Parishoners and Friends,

As we close out Catholic Schools week, I would like to offer an invitation for you to consider. Would you consider giving your child(ren) or grandchild(ren) the gift of Catholic education at Holy Family School? As you know, academic excellence is a hallmark of our Catholic School system. Additionally, our young people are deeply rooted in the faith, they have a true sense of morality, and they understand that it is important to reach out to the human family just like Jesus Christ. It is so beautiful to see this lived out each day at our school.

When it comes to Catholic education, the age old question always comes up, “How much does it cost?” The cost to send a child to Holy Family School is just over \$5,000.00 or roughly \$100 per week. I know that sounds like a lot of money on top of the fact that you already have to pay property taxes and school taxes. I know we have great public schools in our area as well. However, if you have ever considered sending your child to a Catholic School and you quickly erase that thought from your mind because you don’t think you can afford it – please reconsider. Our school does provide scholarships and financial aid to those who qualify. I would encourage you to make an appointment to tour our school and see all that our school has to offer. I know you will be impressed. You can call our school office at (315)487-8515 to arrange a tour or you can visit the school website at [holyfamilyschool-syr.org](http://holyfamilyschool-syr.org).

Let’s continue to pray for the great success of our school and let’s pray for the success of Catholic Schools all around the world.

Blessings always,  
Father Manno

Happy February Everyone!

We had a great January filled with blessings and it is hard to believe that February is already here. Believe it or not, this month is when Lent starts this year! Ash Wednesday will be here before we know it on Wednesday, February 22nd.

You'll notice that with many of our ministries for youth and families we are focusing on prepare for the Lenten season so that we can make this the "Best Lent Ever."

What are you doing to prepare for Lent this year? Ponder that question this week, and consider your Lenten commitments you want to make this year to grow closer to Jesus.

In Christ,

# GOSPEL REFLECTION

**Matthew 5: 13-16**

This week's Gospel calls us to be **light to the world and salt of the earth** in reaching out to our brothers and sisters. This really strikes a chord with me as a deacon ordained to represent "Christ as Servant" out in the world!

When we think of Christian "ministry", we might focus on the duties of church authorities, the ordained, or those specially involved in church or parish activities. This Gospel passage, however, should shift that focus! Jesus is not speaking solely to a select few to carry out his mission to the world, but to all of us who follow him in faith.

**Every Christian is a disciple of Jesus, actively engaged in his work.** Our Baptism endows us with a status but equally endows us with a mission. By virtue of our Baptism, we are each called to serve, each called to be "light" to the world. It's up to us to spread the Gospel message and carry the healing wisdom of Jesus to all we meet as we help to build up God's kingdom here on earth.

Let's remember our first responsibility is to keep our own light shining brightly by embracing our faith and its practice. We can't share what we don't have ourselves! Then watch out for the multiple opportunities to allow your light to shine in the darkness of life all around you.

So, are you aware of the light you give off in your attitudes, words, and actions?

And are you alert to the impact you have or can have on other people's lives?

May God's love and grace be with you,

Deacon Bob Fangio
