# HOLY FAMILY CHURCH

## MESSAGE FROM OUR PASTOR

Dear Holy Family Parishioners and Friends,

I hope your Summer is off to a great start! In many parishes, Summer is a time to get work done that typically has to be put off during the year due to the busyness of parishes. There is a lot taking place at Holy Family during the summer. In our school, our maintenance team is busy waxing floors, painting, and getting the school ready for another school year in September. As you can imagine, it is a lot of work. Over the Summer we will be sealing the main church parking lot and restriping it. More information on this will follow. These are some of the bigger projects taking place and there is always the regular maintenance. I am most grateful to our maintenance team for working diligently to ensure that everything is in good condition around our campus.

Just a reminder that our Grub in the Grotto series continues this Thursday, July 20th from 6:00 – 7:30 PM at the Grotto. Our musical guest is, Joe Davoli! Joe is a great musician and will provide some great music for our listening pleasure! Hope to see you there!

Peace and all good things,  
Father Manno

## **JOIN SEMINARIAN JOHN BRUSA FOR** **CANDIDACY** **Tuesday, July 25, 6:30 p.m.**

As some may know, Seminarian John Brusa (originally from Holy Family) has been on his pastoral year in Cortland. In the Diocese of Syracuse, pastoral year typically “culminates” in the Rite of Admission to Candidacy for Holy Orders. This rite is simply a public declaration that one intends to finish his studies for the priesthood. On the Feast of St. James, Tuesday July 25th, at St. Mary's Church in Cortland, Bishop Lucia will celebrate a mass in which John and his classmate Joseph Ryan are both recognized as candidates for Holy Orders. The mass will begin at 6:30pm. All are welcome. This is a great way to celebrate our seminarians as they prepare to return to their studies.

Please continue to pray for the spiritual growth of all of our parish's young people.

God bless,

# GOSPEL REFLECTION

## Matthew 13: 1 - 23

Do you think that you could be one of the disciples that would understand the teachings of Jesus, and be blessed as he says those who do, are? Do you think that if speaking in parables is easy to do, the listening parts should also be easy to understand? Well let me tell you, I think this humble sinner would have gotten a grade of D minus, as even today, it seems really hard to put myself in their shoes and literally walk a mile!

I can vividly remember being in High School needing to take and pass Chemistry. What I could not simply grasp was the basic concepts that made up the tenants of that science. Sure, like everyone else, I could memorize the Periodic Table of Elements, but when it came time for tests, I always got horrible grades. So, I thought of enlisting the help of the best Chemistry Professor I could think of, - My Dad!

You see my Dad was a Senior Research Chemist for Occidental Chemical and it was he from whom I sought help. Like the Apostles who asked Jesus to break open his words, I asked My Dad for help in learning these concepts, but something still could not get through this thick skull to understand the work laid out before me. Was he speaking a foreign language? Was I just stupid when it came to Science? OR- was it a case that I simply needed to work harder at my homework and ask God for help. Well, Thanks be to God, I actually passed that exam, but I'll not tell what the grade was for it's really not about me!

Jesus, in all his teachings, tried to simply share with others the love and mercy of his Heavenly Father. That in spite of some failures made in our humanity because of opposition and indifference, the message about the coming of Gods kingdom will have enormous success. Knowledge of the mysteries of the kingdom of heaven means recognition that the kingdom has become present in the ministry of Jesus.

The four types of persons envisioned by Jesus in our readings are 1) those who never accept THE WORD of the kingdom; 2) those who believe for a while, but fall away because of persecution, 3) those who believe, but in whom THE WORD is choked out by world anxiety and the allurements of riches and then, 4) those who respond to THE WORD and produce fruit abundantly. Which one of these people or groups best describes you today and which one should we strive to attain?

May God bless you,  
Dcn. Mark
